Filed : May 31, 2001
Title : Concepts and methods for identifying brain correlates of elementary mental states
Examiner : Jerry Lin
Art Unit : 1631

AMENDMENT UNDER 37 CFR § 1.312

Commissioner for Patents
Art Unit 1631
Post Office Box 1450
Alexandria, VA 22313-1450

Dear Mr. Lin:

I hereby submit an amendment after notice of allowance in response to your telephone communication on December 3, and my email and telephone call back on the following day regarding the drawings.

1. Please cancel drawings figures 1 through 5 from this application.
2. Please delete references to the Figures as indicated by strike-throughs in the attached six pages of the substitute specification dated October 7, 2005.
